Delays and Cancellation Information

(Revised Feb. 2021)

In the past, The Church Christian Academy, TCCA, has followed the Yough School District for school closings and delays. If The Yough School District had a 2 hour delay, then TCCA would also have a 2 hour delay, or if the Yough School District canceled, then TCCA would also cancel.

However, their dependence on remote learning has made it so we cannot continue to follow the Yough schedule. If TCCA is going to have a two hour delay or cancel school, I will send out a group text to the families notifying you of the closure or delay. Unfortunately, if you live in the Yough District and they cancel in person classes, they will not provide transportation to TCCA. In that case, you would have to bring the children to school and pick them up from school. Other Districts would still bus as normal. You can also watch for The Church Christian Academy on your local news station to see if weather is effecting the school's schedule.

For those in other Districts:

-Please continue to watch and follow the school district in which you live. If the school district you live in cancels or has a delay, you would also have a school cancellation or delay for that day. We don't want you to travel if the district you live in thinks its roads are too bad for travel. The student would not be marked as tardy or absent in this situation.

(Ex-If you live in the Belle Vernon Area or Elizabeth Forward School district and The Church Christian Academy has school as normally scheduled but Belle Vernon or Elizabeth Forward has a two hour delay, you would also have a two hour delay. You would report to school two hours later than the normal starting time and not be marked as tardy. The bus companies know this and would pick up your children two hours later than the normal pickup time.)

If anyone has any questions about this, please don't hesitate to call.

Thank You & God Bless,
